To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
our hearts will move
To bring you honor too.
So hail to thee, O noble school,
Stand firm and strong and right
And may we ever look to thee
For strength, love and purity.

REXALL HAROLD CARNES

Through the years we are privileged to know a few individuals who are unique. We knew one such individual. He was an excellent teacher, cajoling, encouraging, and leading. He was a warm, gentle friend, joking, smiling, and offering a helpful hand when it was needed. He was a respected community leader, a member of several boards of directors. He was a loving husband and father, proud of his family and of his family of students. He was a practicing Christian, a man of his word. He was compassionate and understanding. We miss his laughter in the classroom, his prayer at faculty gatherings, and his cheerfulness in the halls and teachers' lounges; but we will warm ourselves with pleasant memories which we will always carry in our hearts. We knew Rexall Harold Carnes.

Student Government President Donna Elkins and George Roat present the portrait of Mr. Carnes to Mr. Lester.

THE CIRCLE GAME

Yesterday a child came out to wonder
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star
Then the child moved ten times round the seasons
Skated over ten clear frozen streams
Words like, when you're older, must appease him
And promises of someday make his dreams
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game.

"Let's play Trip the Crip."

"What if we don't feel like playing?"

"Yes, I'm in love."

"I vant to drink your blood, please."

Two all-beef patties, special sauce, lettuce, cheese, pickles, onions, on a sesame seed bun . . . Terry and Mona.

"Show us your cookies, girls!"

"Hit the Alma Mater, boys!!"

Meatball Mamas on Parade!!

Just having a little brunch!

Johnny Carson and Ed McMahon?!

Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town
And they tell him, Take your time, it won't be long now
Till you drag your feet to slow the circles down
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game.

The things we do for Mrs. Rose.

My, My all those SHY Seniors?!!!

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look behind
From where we came
And go round and round and round
In the circle game.

Today's lunch is . . .

"Now, you're trying to tell me that a train held you up for 2½ hours?"

The Valhi had a very successful year although the staff was inexperienced. The year began when the editors, Karen Kilgore and Pia Trigiani, attended a newspaper workshop at Radford College. We learned many things on how to make a newspaper interesting and exciting.

During the summer, we sold ads to merchants of Big Stone Gap and Appalachia. Because of these sales, the Valhi Staff was a financial success.

This year we published four editions of the Valhi. The last edition was dedicated to the Seniors. This edition consisted of twelve pages.

The Valhi Staff wishes to thank Mr. Clark, our sponsor, and the English Department for all the help they have given us throughout the 1974-75 school year.

S.C.A.

The Student Cooperative Association is the legislative branch of the student body. Every student is a member of this organization and has the opportunity to elect the members of the association in the spring. The Council consists of five officers and two representatives from each class.

The 1974-75 S.C.A. began meeting and organizing in the summer. The first student activity sponsored by this organization was a "Sadie Hawkins" dance. Also in September several members served as guides for District O meeting held at Powell Valley.

With the death of Mr. Carnes, the S.C.A. felt a need to memorialize this great teacher. Students contributed money which was used for two purposes: a gift of money to Mountain Empire Community College Library and a portrait of Mr. Carnes to be placed in the Powell Valley High School Library. The portrait was presented by Mrs. Carnes to the school during the Class Day exercises.

In October the S.C.A. sponsored the Homecoming parade and dance. The French Club won first place for the best float with their version of the Eiffel Tower. The Homecoming theme was "You are the sunshine of my life." Toni Collier, a senior, was crowned queen by the 1973 Homecoming Queen Sharon Robertson.

Late in October, the S.C.A. held a mock congressional election. In the Charles Horne and William C. Wampler race, Mr. Wampler won.

The school Christmas tree, which was placed in the main hall was donated by the Dogwood Garden Club. The S.C.A. was in charge of decoration. A Christmas dance, a "Holly Hop," was also held just before Christmas vacation.

We sponsored the movie, JANE EYRE, starring George C. Scott and Susannah York, was shown in the auditorium.

After spring elections, installation of officers was held. Donna Elkins, president, relinquished the gavel to newly elected president Clyde Franks.

The year was successful through the cooperation of faculty, administration, and Council members. We would like to express deep appreciation to their capable sponsors, Mrs. Vaughan and Mr. Williams.

We would like to thank our sponsors, Mrs. Jarrett and Mrs. Lewis for their help in our activities and their guidance throughout the year.

Future Business Leaders of America

The Powell Valley FBLA is a club consisting of members who are engaged in taking Steno I and II, Clerk Typist I and II, Typing I, and General Business. These members are concerned with extending their knowledge and interest in the field of business.

This year has been a very active one for our club. The sponsors and some of the members have attended the Spring and Fall Radford Conventions. Several of the members participated in business-related contests at Mountain Empire Community College, and then on to Radford College to compete. Our sponsors and nine members went to Richmond for state competition in which Sharon Yost was participating. Sharon won second place in spelling which entitles her to go to Miami, Florida for national competition. Other activities included selling candles for the March of Dimes and visiting a rest home.

We have had a very successful year, not only in the skill contests, but also in club activities. Special thanks go to our sponsors for the cooperation and help extended to us.

The DECA Club plays an important part in the total program at Powell Valley. The DECA Club is designed to allow each student to develop beneficial traits in his personality and work habits.

The sale of mums for homecoming, sponsored by the DE Club, was a great success this year as it has been in the past.

The Powell Valley DECA Club was selected as the outstanding DECA Club in District V for the second straight year. This was based on the performance of the students on District level in their respective contests. The club won first place in Public Speaking I and Group Sales III; second place in Window Display, Job Interview, Public Speaking II, and Advertising, Layout, and Copyright; third place in Sales Demonstration, Decision making, and Parliamentary Procedures. Three students advanced to the State Leadership Conference in Roanoke, Virginia.

We appreciate Mr. Curry's knowledge of his field and his interest in each of us.

FHA

The main purpose of the Future Homemakers of America is to promote an everlasting appreciation of the satisfaction and contentment of homemaking. Also, our club strives to promote individuality in each member.

This year's topic of study was "The World of Work." The programs were planned to present to the members the various opportunities open to the working women of today. We profited from visiting a rest home during Christmas. Other activities included selling stationery, attending the Black Diamond Federation meeting, and winning second place for our float in the Homecoming Parade. Special thanks go to our sponsor, Mrs. Porier, for her help and understanding during this year.

Band

The Powell Valley Viking Band has developed into one of the finest bands in the state of Virginia. Through tears of frustration and joy, sore feet, hours and hours of drilling, music rehearsals at night, and an enormous amount of fun, love, and laughter, the band has accomplished its main goal.

In August, we began preparing for marching season. Our first competition show was the Mid-South Marching Band Festival in Gadsden, Alabama. The Viking Band received Good, Excellent, and Superior ratings. Next, we attended the Southeastern Band Festival in Bristol, Virginia-Tennessee where the band received First Place, our Drum Major, Mike Younce, received First Place, the majorettes received First Place, and the flag girls received First Place.

After Bristol, the band returned to the South once more to attend the Tri-State Band Festival in Cleveland, Tennessee. We received Superior and Excellent ratings. The following week-end the band performed their winning half-time show at a football game at the Emory and Henry Homecoming.

After marching season was over, the Viking Band began concentrating on the Christmas parades in Appalachia and Big Stone Gap. Also, the band worked along with the Viking Chorus to present a Christmas Program for the school and the public.

This year several band members participated in the All-Region Band. Also, they participated in the All-County Band.

Our Spring Concert was presented to the public on May 9, 1975. We played American music from the turn of the century through the music of today.

Our successful year came to an end as we played "Pomp and Circumstance" and the traditional "Days of Glory." Our five graduating Seniors gave their final performance June 2 at the Commencement Exercises.

The members of the Powell Valley Viking Band wish to express their thanks to Mr. and Mrs. Tipton and Miss Shankle for all their dedication and patience with us throughout the year of 1974-75.

Round us at class night comes stealing
Shadows of days that are gone —
Dreams of the old days revealing
Memories of school days now gone.

Memories, memories,
Dreams of school so true
O'er the sea of memories
We're drifting back to you.

High school days, high school days,
Memories of you
You're leaving us alone,
But still you're our own
In our beautiful memories.

Graduation Night — every possible adjective has been used to describe it. Yet nothing is adequate. That night culminates an important and never-to-be-forgotten part of one's life in a few short hours. It's an exciting night for many, unnecessary to others, and a totally new experience for all. Someday, someone may describe it as it should be described. Until then, memories must suffice.
